

NHS
CARE

**Volunteer
Responders**

**Volunteer support
available now**

NHS and Care Volunteer Responders are here to help you and the people you support this winter.

The volunteer support available to you includes:

- Friendly phone calls for anyone needing a chat and a listening ear
- Essential shopping & prescription delivery
- Delivery of small items of equipment and medication to people at home and between sites
- Steward Volunteers to support COVID-19 vaccination sites

**To make a referral:
